presentation of receipts. The purpose of Road Notes is to keep the membership informed on past and future club activities and will include the President's Letter, the Secretary's Meeting Minutes, current points status and the Treasurer's Report.

- 5.3. **SENSITIVE BOARD OF DIRECTORS' MEETING MINUTES:** Portions of Board of Directors' meeting minutes which are deemed sensitive for distribution outside of Club membership may be kept from being published in the Road Notes newsletter and being placed on the website. The published website and newsletter minutes will carry a statement that a portion of the meeting was sensitive and that the minutes of that portion are only available at the next Club business meeting or through the Club Secretary. The Secretary will maintain the separate sensitive minutes in a manner that makes them available only to Club members.

The Board may also decide in a formal vote at the affected meeting to withhold any particularly sensitive information from disclosure to non-Board members. This vote must pass with a two thirds majority approval of the Board members present at the affected meeting. In this instance, the Secretary will maintain the minutes of this portion of the meeting in a manner that makes them available to Board members only. The overall meeting minutes will reflect only the topic discussed and will be noted that the discussion was "Sensitive-for Board of Directors review only".

**Section 6. Points and Awards Program**

**6.1. POINTS AND AWARDS PROGRAM**

- 6.1.a. The following awards will be given annually (participation earning year runs from November 1st to October 31st of the following year) to the club members who earn them as determined by the Route 66 Vice-President who will also ensure that all points given for individual activities and events are equitably assigned to the participants claiming points:
1. NCCC Competition Award: For the greatest number of points accumulated for NCCC Events.
  2. Route 66 Corvette Club Participation Award: For the greatest number of points accumulated for Route 66 Corvette Club Events and Other Activities.
  3. 100% Participation Award: Earned by attending all eleven monthly Route 66 business meetings, working or entering the entering and participating in one Annual Route 66 Corvette Club Car Show and working or entering all Route 66 Corvette Club NCCC sanctioned Events occurring within 75 miles of the Club's "declared city" listed with the National Council of Corvette Clubs and defined in the "General Section" of these Standing Rules. If any Event is a multi-day Event, working or entering and participating in only one day is required for 100% award qualification. An inclement weather exception exists for the attendance requirement at all eleven monthly meetings. This is explained separately under "Inclement Weather" in the "Meetings" section of these Standing Rules.
  4. Additional specialty recognition awards may be given at the discretion of the Vice-President.
- 6.1.b. A points system administered by the Vice-President will be used to determine the recipients of the above awards. The rules governing these points are as follows:

**STANDING RULES**  
**ROUTE 66 CORVETTE CLUB**  
**(Revised 10/4/2017)**

1. Points earning year runs from November 1st to October 31st of the following year.
2. Only one 1st place award, one 2nd place award, or one 3rd place award can be earned by any Club member in any one year in the descending order of the President, NCCC Competition and Route 66 Corvette Club Participation Awards. In the event that there are not enough members eligible to award a 2nd or 3rd place award, then no award will be given. In case of tie, the Club Vice-President may determine if awards could be combined as in the case of a couple who could share an award to counter the cost of additional awards. A Route 66 Corvette Club Event is defined as any event sponsored by the Route 66 Corvette Club. This includes our Route 66 Corvette Shows, committee meetings, picnics, parties, road runs and any other Event created by the Route 66 Corvette Club.
3. A participant in a Route 66 Event is defined as an individual who has paid any applicable entry fee and has started the Event.
4. In all Events that require or have two participants with an entry fee, each participant will receive points.
5. A Route 66 Event is not required to have a Chairperson.
6. Event Chairperson is defined as an individual responsible for initiating, organizing, and coordinating an Event. This person is also to distribute the results of the said Event to the Vice-President within 30 days of the Event.
7. Event Co-Chairperson is defined as an individual that assists the Chairperson in an event. This event needs to be large enough that the Chairperson needs assistance, i.e., Car Show, Christmas party, or Autocross. A Co-Chairperson will not normally be necessary for road runs and smaller Events.
8. Event worker is defined as an individual who works for the Event Chairperson.
9. "Other Activity" is defined as an event that is not sponsored by the Route 66 Corvette Club. It can be other car club or automotive activities that the Club can participate in together or an individual can participate in with a Corvette. Examples of Other Activities are parades, Lions Club Car Show, BTCC Car Show, museum get-togethers, Fun Fest, Corvette Cup, or other Corvette club meetings. Other Activities may have a Chairperson if an extra level of coordination is required for making complex preparation plans.
10. In order that points be given for any Other Activity, the Activity must be announced at a monthly Club meeting or included in the Road Notes newsletter and be open to all Club members who wish to participate.
11. It is the individual Club member's responsibility to report points earned at all Events and Other Activities to the Route 66 Corvette Club Vice-President within 45 days of such event or activity on the form provided by the Vice-President. Therefore, points should be turned in at the monthly Club business meetings for the previous month's points. If no meeting is held in a month, it will be acceptable to wait to turn in points until the next meeting. If points are not turned in by that time, **NO** points will be awarded.
12. The number of days that participants attend an Event or Other Activity will not be a factor. Each Event or Other Activity will only count as a single occurrence independent of the amount of time consumed by that Activity or Event. Extra points will also not be given for meeting at a location and driving to an event.
13. The number of points to be awarded for the various categories are as follows:
  - a. 10 points for Route 66 Corvette Club Events (Route 66 Awards).
  - b. 5 points for Other Activity (Route 66 Awards).

**STANDING RULES**  
**ROUTE 66 CORVETTE CLUB**  
**(Revised 10/4/2017)**

  - d. Placing points for NCCC Event, per NCCC rulebook (NCCC Awards).
  - e. 20 points for Event Chairperson with a maximum of 80 per year (Route 66 Awards).
  - f. 15 points for Event Co-Chairperson with a maximum of 60 points per year (Route 66 Awards).
  - g. 5 points per Event for event worker (Route 66 Awards).
  - h. 10 Points for monthly Route 66 Corvette Club business meetings (Route 66 Awards).
  - i. 35 points for registering and attending the convention, excluding day pass, plus 5 points for each event entered that involves use of a Corvette [Rally, High-Speed Autocross, Low-Speed Autocross, Funkahna, Concourse Show, People's Choice Show, Record Drags, Bracket Drags, Matching Times Drags and Matching Times Autocross] (Route 66 Awards).
14. Additional specialty recognition awards may be given at the discretion of the Vice-President.

The President shall make this decision at least 4 hours prior to the scheduled meeting start time and notify the membership of the cancellation via e-mail and phone call to those members not having e-mail. The President shall also notify the meeting site facility of this decision. If the President is not able to make this decision, the President shall appoint another Club officer to make the decision and notification. Participation at Board of Director Meetings as defined in the Route 66 Constitution, Article V and Route 66 Bylaws, Section 4 and 7 is further defined to include the following: All Route 66 Club members are generally welcome to attend all Board of Directors meetings. The meeting chairperson may, at their discretion, limit the participation of members other than the Board members. The chairperson will announce any restrictions to members' participation at the start of the meeting. The reasons for limiting participation may be due to the sensitivity or volatility of the topics to be discussed or other factors. The limitations may be as simple as the amount of non-Board member discussion allowed or as extreme as excluding non-Board member presence during part or all of the meeting. All of these limitations are to be included in the meeting minutes. Discussion of topics applicable to any Route 66 committee activities should include that committee's chairperson in the Board discussions.

The Bylaws Committee will maintain a historical record of the initial issue of the Standing Rules and all subsequent changes and additions. The latest version of the Standing Rules will be available on the Club website.
- 8.2. **ADDITION OR MODIFICATION OF STANDING RULES** will be approved by a simple majority of the members present at any Route 66 monthly business meeting following a discussion of the proposed rule change or addition. Any member present at a business meeting may propose a change or addition after asking the Club President or the President's designee to be placed on the meeting agenda. To facilitate Club discussion, the suggested changes should be described in a verbal request or document provided by the member presenting the change and given to the Bylaws Committee chair prior to the start of the meeting. The Bylaws Committee will review the proposed change and determine if it is appropriate for a Standing Rule or if it should be a Bylaws change. The Club meets on the first Thursday night of each month except for December, at The Old Hickory Golf Club, 1 Dye Club Drive, St. Peters, MO 63304 (off Mid-Rivers Drive). This location is subject to change. Please check the location listing on our website or contact one of the officers listed below for details. We electronically publish a monthly newsletter called "Road Notes". In December, we have a holiday party and awards ceremony at an appropriate site. We hold annual car shows at a site that is detailed on our club website.

We hold an autocross at the Family Arena in St. Charles, MO. In addition to these meetings and events, we also have many other club activities in which we participate throughout the year, such as road runs, dinners, tours, picnics and attendance as a club at other car clubs' events. As of 3/3/2017, the Club sponsor is Jack Schmitt Chevrolet of O'Fallon, who provides a free one-year membership to our Club and to the National Council of Corvette Clubs (NCCC) with each Corvette purchased from them. Whether you are receiving this invitation as a result of a Corvette purchase or through other sources, we welcome you and ask you to accept the following information about our club and also ask you to please contact one of the officers listed below.

Initial Club membership dues are \$60.00 per year per individual membership and \$95.00 for a couple. Renewals are \$50.00 and \$85.00 respectively. We require our members to belong to the National Council of Corvette Clubs, Inc. NCCC membership costs are included in the above amounts and Route 66 Corvette Club processes the application for NCCC membership and paying of NCCC dues. The yearly Route 66 and NCCC membership runs from January 1st to December 31st with renewals due the 1st Thursday of October. We invite you to join us for a few meetings or club activities to familiarize yourself with our club to help you decide if you wish to join. We recommend that you fill out your membership forms and submit your Route 66 and NCCC applications and dues at one of our meetings. If you wish to join our club in the July through October time frame, we suggest that you declare your desire to join our club, attend our activities and meetings and delay joining until the August meeting to avoid having to pay a full year's dues for a very short period of membership. Applicants who request membership after August 31st are accepted as members for the following year. Neither Route 66 nor NCCC have partial year's dues.
