PRESIDENT'S LETTER

March 2019

I am looking at our club calendar and I see many events that our members can sign up for. It's almost like every weekend we have something going on. If you want to go to the circus, see Saturday, March 23rd. If you just want to get together and celebrate our members birthday, check out March 24th. How about a fun rally, we have it covered on March 30th. You looking for a car show, how about April 6th. How about getting cool pictures of our cars, check out April 13th. If you like to see and learn about Anheuser-Busch and the Clydesdales, look at April 27th. Ok, I will stop there, but it keeps going. So we have a club with many activities that you can join in on. All you have to do is pick and choose or take them all in. Oh, one more, in July there is a group of us heading to South Dakota to drive through the Black Hills to Spearfish and do some very cool sightseeing.

We should all be proud of the several new members that have joined our club this year. Not only did they join, but they are getting involved in our club's activities. It is always great to see new members getting involved. There is a good possibility that we may have another guest that may be joining in April.

As many of you probably have already noticed, that I have been addressing emails as blind copies. I am doing this to try to cut down on additional emails that you were receiving. I send you enough emails keeping you up to date of many things alone, so you don't need more from members just answering me with OK, sounds good, I'll be there, etc. I hope this is helping.

Spring is just about here. Let's get our cars out and have a great time along with a great group of Route 66 Corvette Club Members! We are the best. Just think of all the friends we have made over the years. Without belonging to our club, how many of these friends would you have known?

PRESIDENT'S LETTER CONTINUED

Spring is just about here. Let's get our cars out and have a great time along with a great group of Route 66 Corvette Club Members! We are the best. Just think of all the friends we have made over the years. Without belonging to our club, how many of these friends would you have known?

"We join for the cars, and we stay for the people."

Bob Isermann,
President

Vice President: Bill Mitchell	Harold Lloyd
Secretary: Jeff Schweikert	Detta Nelson
Treasurer: Rich Weinhold	Past President: Ron Nelson
Governor: Tom Reitz	

President's Remarks: Bob Isermann

This is definitely not Corvette weather. However, spring is right around the corner, and things will begin to change. We will be getting our cars out and hitting the road again doing what we enjoy doing, driving our cars and having a good time getting together.

In February, we had our Birthday Bash held at Vette's. We had a small turnout, but those of us that did meet had a good time. Be on the lookout for our next Birthday Bash on Sunday, March 24. Mike and Jan Spathelf will be putting this on. More information is coming. Also, the day before the birthday get together, we have been invited to the Shriners Circus. Ron Reynolds will bring us up to date on this.

I attended the Midwest Region and the NCCC meeting on Saturday, February 23, and got to see the first meeting that Chris Reitz spoke as the NCCC Treasurer. Most of you may have seen the pictures I took Chris presenting the financials. This is a huge job of taking care of the books for the NCCC. We all know that Chris will do an excellent job.

Our car show committee has been doing an outstanding job working towards having a great car show this year. They are adding some new features that we haven't done before. They are planning on testing out some new ideas. Orville will bring up some of these ideas that were discussed at the last car show meeting with everyone.

Our club was once again mentioned in Blue Bars. Rich Weinhold's Great Grandson, Cylas was assigned FCOA #5600. Rich has done a great job in encouraging us to sign up our your family members to the FCOA, Future Corvette Owners Association. Keep up the good work, Rich!

One last thing, did you notice a change in the formatting of the Road Notes? Lynda will tell you about how it all came about.

Let's have a good meeting!

Gasoline Alley

Tell Me Something Good!!

Dozens of people in Albuquerque, NM, pitched into buy a car for a man in desperate need of medial treatment in Maryland after his broke down.

Did You Know??

A cat has 32 muscles in each ear.

Thought of the Day...

Throw kindness around like confetti!!

Tips for a Life Time:

Other uses for DENTAL FLOSS. Slide under freshly baked cookies that are stuck to the baking sheet. Pull taut and slice through soft cheeses and cakes cleanly. Use to sew buttons back on. It's much stronger than thread.
