# *President's Message*

September

Fall weather will be here soon, which provides the opportunity for our club to get out on several Road Runs and enjoy the beautiful countryside and driving your Corvette.

Our Social Committee is working hard to keep our membership busy between now and the end of the year. Be sure you are checking our Calendar on the Route 66 CC web page.

Just a friendly reminder, please be sure you wear your Route 66 Name Tag to each event. We have many new faces that participate, and it is helpful for all of us who attend, so we can introduce ourselves and make everyone feel comfortable.

Our Treasurer, Rich Weinhold, reminds everyone that our Annual Dues are due By The End of October. You may make payment in person at our September or October meeting via Cash or Check, or ...go to our web page and follow the link to make payment via Square.

It is also that time of year to prepare for our November meeting and election of officers. If you are interested in one of the open positions, please reach out to one of our Nominating Committee members for further information. They are Bob Lamb, Craig Besand and Robert Gamblin.

I look forward to seeing everyone at one our upcoming events or monthly meetings.

Best Regards  
Don Lorimier

#### **Event Sign-Up - Update (Groupworks replacement)**

Our new system is in place and being used. Dave Hecht created the system using Google Drive documents. Sign up for an event is done through a link in event initiations that leads to a blank Google document. The data from that document is sent to a Google Sheets file. All of the club members can review the attendees on this sheet via a link in the event announcement that the social committee sends to all members. Updates to the information, like adding an attendee or canceling, can be made as needed. Some will be asked to request access to the information. Complete the access request. David will get an email, and he will give you access.

**Please consider attending the Open Artists' Studio and Garage Tour being put on by club Members Suzanne and Michael Koenen. See the next page for details.**

The background is a vibrant watercolor wash in shades of yellow, green, blue, and pink. Overlaid on this are various hand-drawn sketches in black ink, including rectangles, triangles, and abstract forms, some with internal lines or shading.

- And some more about the aerodynamics of pop-up headlights. Watch how the air flows smoothly (laminar) over the front of the car and then how it looks after passing over the head lights and vertical back window (turbulent and spread out- not a smooth flow anymore.) **Charity Committee:** Howard Sardis (Tom Desmond)

The USO is the main charity for the club. But we give money to other charities – whatever we have over a \$10K bank balance at the end of the year. Send suggested charities to Howard and Tom Desmond by the end of October. Each must be a 501C3 organization. The committee will vet the suggestions, looking at their effectiveness for their cause.

Collection bins for Toys for Tots will be at our meeting in October, November, and December.

**Old Business:**

None.

**Wear Your Pride:** Tom Reitz

The pot tonight is \$170 after it was not won at the August meeting. Remember to wear your “Route 66 Corvette Club” shirt, jacket, or hat to meetings. Also known as “Wear Your Pride”! The basic rules are that pins do not count; name tags do not count. The pot rolls over every month that it is not claimed, increasing by \$10 per meeting until claimed then starts over at \$10 again. The pot was NOT won tonight, the name drawn was Julie Ferris. She was not present. The pot will be \$180 at the October meeting.

## Committee Reports: (cont.)
