President's Message

Route 66 Corvette Club Members,

We are finally into spring and able to start enjoying more time outside in the warm sunny days. The club events are moving along quite well, and you have the opportunity to get out and socialize with the other club members and take advantage of the many events our social club has been offering.

One of the major events that everyone is planning is our car show, Salute to the Troops. Saturday May 17 th will be here shortly so don't put off signing up for the great event. I encourage participation by assisting in many of the activities that will require your help in manning during this show. This is our time to show, as in previous years, how we actively support the USO of Missouri and the support they provide to our active military.

Certainly! The USO (United Service Organizations) plays a crucial role in supporting our active military personnel. They provide a wide range of services and programs designed to boost morale, offer comfort, and connect service members with their families and communities.

I strongly encourage everyone to actively support our car show, Salute to the Troops. Your participation is an important factor in continuously making this fund raiser a successful event. This is our one time a year to stress how we actively support the USO of Missouri and the reinforcement role they provide to our active military.

The USO offers various programs such as:

- Entertainment: They organize events to reassure the troops stationed both domestically and overseas, that they are our most important defense in protecting America.
- Support Centers: USO centers provide a place for service members to relax, access free internet, make phone calls, and enjoy snacks and beverages.
- Family Programs: They offer programs to help military families stay connected, including video calls, care packages, and special events for children.
- Transition Assistance: The USO helps service members transition back to civilian life with career counseling, job fairs, and workshops.

These efforts are vital in maintaining the well-being and morale of our troops, ensuring they feel appreciated and supported while serving our country.

Charity Committee: Howard Sardis / Chairman

Howard, Mike Force and Tom Desmond, our Charity Committee members, presented "the big check" to F O C U S Marines Foundation – Holly Klaesner attended the meeting to accept the donation.

- Focus Marines Foundation provides a 7-day program 4 times a year in Augusta for veterans from all over the US at no cost to them. Vietnam vets that founded the foundation wanted to make things better for other returning service veterans. Holly gave a couple examples of folks that they have helped. One was a CEO that needed anger management help. And another that was afraid to go to the grocery store.

Dennis mentioned that he was having some issues distributing the link to the directory to all members. Please confirm that you are getting the link to our directory.

NCCC Governor's Report: Craig Besand

Midwest Region Sanctioned NCCC events can be found at this link:

<https://www.mwregion.com/schedule.html>. The next few months of the schedule in a short version are shown on the next page with a link to the entire short version of the schedule.

The regional meeting is coming up at Westport. Contact Craig for more info. All are welcome to attend.

July 12 is our rallye. Volunteers are needed to help with sign-up and at check-in stations. Craig asked Tom Reitz to help design the rallye route. Craig will get a flyer out for the rallye.

NCCC is way underfunded – the organization needs to cut costs. Craig has suggested that only 2 national meetings be held per year instead of 4. Also, he thought that Blue Bars magazine should be electronic rather than printed and mailed. They could also save money by using membership cards for more than one year.

More NCCC information is linked on the pages following the Treasurer's reports. This info is repeated from last month's meeting and minutes.

Officer's Reports: (cont.)

NCCC Governor's Report: (cont.)

Craig presented charts at the March meeting supporting a discussion to discontinue club membership in NCCC. Here is a link to those slides: [A Look Into NCCC](#)

Key Points:

- We pay dues for about 210 members at a cost of \$5000 for the Club.
- We have about 10 members that attend competitive NCCC events, about \$24 per member.
- NCCC provides liability insurance for the club and Directors and Officers in that cost.
- We can get liability insurance and D&O insurance for about \$1300 per year independent of NCCC.
- Members that compete can join another club that is an NCCC member to continue to compete.

We will discuss this topic again next month. We must decide about it before starting membership renewals in October.

Committee Reports: Paul Kaus

Car Show: Paul Kaus

- Patti Hall reminded members to bring items for raffle baskets to the meeting in May or contact her if you have items to donate. She has 17 baskets now, there were 35 last year. We made a lot of money from the baskets so we really need more. Here are some more ideas for baskets: Hot Wheels, margarita, jim beam, lottery, Italian pasta, sports fan baskets, cigar, detailing material, taco night, wine and cheese....bath and body, things for kids.....
- 43 cars are registered. SIGN-UP!!!!!! 65 had registered by this time last year. April 25 is the t-shirt cutoff date. **Sign up before then!!!!!!!!!!!!**
- Raffle tickets - 400 have been sold. We started with 1400 tickets and would love to see more sold. The prize is a gift card for \$1500 for Big Cedar Lodge/Bass Pro Shop. Please return your unsold tickets so that we have them for sale at the Car Show.
- There are 13 sponsors now. 7 are members.
- Poage is paying for the t-shirts and trophies. Thank you!!!!!!!!!!!!
- Kustom Corvettes Corvette Club members will judge our cars. Robert Gamblin has a team of Rt66CC members to judge guests car. Cleanliness is the only thing being judged. Contact him if you can help judge cars.
- Paul Kaus asked for approval to spend up to \$4500 for a banner, sponsors t-shirts, Rock'n Rob, food, and porta potties.
- A motion to approve this request was made by Dennis Osterhorn and seconded by Mike Spathelf. The motion passed.

Old Business:

None.

New Business:

Items for membership information:

- Additional tables are required for club activities – the tables have been bought.
- Bereavement flowers have been sent to Pete Christo at Terraces of Edinburgh. His wife passed away.

Further discussion related to NCCC – the floor is open for comments.

- Tom Reitz – 25-year NCCC governor spoke. The Club was formed in 2000 as a NCCC club. He noted that the Club documents would need to be revised as they specifically state that the Club will be an NCCC member. He is worried that private insurance will be difficult to renew if there is a claim. What is the intention for membership fees if we no longer charge for NCCC membership?
- Dennis Osterhorn asked about how the insurance works.
- Tom offered that insurance pays for damages that occur as part of a club event. D&O coverage covers the board for club activities. Personal insurance covers damage to cars.
- Paul Kaus suggested keeping dues as is, not to join NCCC for 2026, get Hagerty insurance and have a couple \$\$ for a charity fund or Christmas fund.
- Paul noted that quotes from Hagerty showed that insurance comparable to what NCCC provides would cost about \$1200 for the Club. We currently spend about \$5000 for NCCC membership which includes their insurance.

USO Renovations at Lambert Field – on April 21 they are having a ceremony about the renovated area. They didn't want to spend too much money in lieu of airport changes that are coming up. Some Club members will likely attend. Contact David Hecht for more info.

Purchase Route 66 Game from Club member Tim Masten – You can still order tonight and tomorrow to get a discount. (Ordering info is in the March Road Notes.)

The pot was not won tonight, the name drawn was Mark Ives. The pot will be \$20 at the May meeting.

50/50 Drawing: Chris and Greg Fultz

For all Route 66 Corvette Club members

March, 2025

Hello everybody, this is Tim Masten. For the last 14 months, I've designed and completed making a new board game called: Cantokmi Games: Route 66 Anniversary Edition. It's in stock and ready to ship out to customers.

It's a game that takes you through the eight Route 66 states to collect pictures along the way. The player with the most pictures at the end of the game, wins!

There are some unique features about the game. One of them is that there are 60 businesses named along Route 66 listed on the game board. The other main feature is that it's not packaged in a box, but in a sturdy envelope. That way it will fit in your suitcase while traveling, and it can also be shipped to friends and relatives without any additional packaging.

To order the game, you can either email me at: tcmroute66@gmail.com or go on my website: <https://cantokmi.games/> and let me know your name, address, city, state, zip code and how many games you want. Also state if you want it delivered to your home or if you want to pick it up at a Rt66CC club meeting.

With your / our annual Route 66 Corvette Show coming up, I'll donate a game for a drawing.

Thank you,
Tim Masten

Ladies Bunko

3-20-2025

The Corvette Bunko Ladies had an amazing time! Bunko, snacks, a little wine, and lots of laughter—what more could we ask for?

We're still looking for two more monthly players to join our fun group! If you're interested, we'd love to have you. We meet on the 3rd Thursday of each month at 1:30 PM, and next month's game will be at Angie's home.

Let me know if you'd like to join or if you have any questions. Looking forward to another great game!

Thoughts to ponder:

- What if my dog only brings back my ball because he thinks I like throwing it?
- If poison expires, is it more poisonous or is it no longer poisonous?
- Which letter is silent in the word "Scent," the S or the C?
- Why is the letter W, in English, called double U? Shouldn't it be called double V?
- Maybe oxygen is slowly killing you and It just takes 75-100 years to fully work.
- Every time you clean something you just make something else dirty.
- Your future self is watching you right now through memories.
- The doctors that told Stephen Hawking he had two years to live in 1953 are probably dead.
- If you replace "W" with "T" in "What, Where and When", you get the answer to each of them.
- 100 years ago a Twenty Dollar bill and a Twenty Dollar gold piece were interchangeable. Either one would buy a new suit, new shoes and a night on the town. The Twenty Dollar gold piece will still do that.
