President's Message

Route 66 Corvette Club Members,

As the warmer May weather arrives after a record wet April in the Saint Louis area, now is the perfect time to reawaken your passion for the Corvette. The Route 66 Corvette Club is calling on all members and Corvette enthusiasts to lend their energy and spirit to our club activities.

Embrace the Spirit of our organization:

You, our members, are not just participants, you are part of one large, supportive family. Whether you've been with us for years or you're new to the club, your presence makes all the difference. Join in on local cruising opportunities and car shows to connect with members who share the same passion for the Corvette.

Participate in Events:

We have a range of exciting events lined up, including our “**Salute to the Troops**” car show on **Saturday, May 17th**. This key event supports the USO of Missouri and offers a prime opportunity for members to give back to those who serve our nation.

- **Your participation is essential:**
 - **Impactful Involvement:** Every member's contribution helps create a memorable experience and generates valuable support for the club we represent.

Your participation actively builds lasting friendships among fellow Corvette enthusiasts.

- **Take Initiative and Volunteer:**

I encourage all members to volunteer for various roles—from event planning and setting up and promoting our show, or to actively participate in the many runs put together by the social group. This active involvement fosters leadership and personal growth within the club.
- **Share Your Passion Publicly:**

Spread the word about our events on social media. Personal testimonials, photos from past events, and shared experiences can help inspire others to join. A strong online presence can resonate with potential new members who share the Corvette passion.
- **Stay Engaged:**

The club leadership is actively rescheduling weather-affected events, and updated details will be shared. Make sure to check for email correspondence provided by our social committee or go on-line and review what has been posted in our web-site calendar.

Finally:

As our club president, I want to emphasize that when every member contributes—even in a small way—the collective efforts produce outstanding events and lasting memories. Route 66 Corvette Club continues to be a beacon of camaraderie, passion, and action. Your involvement is the heartbeat that keeps our club strong and dynamic.

Officer's Reports: (cont.)

Committee Reports: Paul Kaus

Car Show: Paul Kaus

- The Car Show is May 17th at Poage in Wentzville!!!!!!
- 77 cars are now registered – about the same as last year at this time.
- 20 guests signed up- just a bit ahead of last year.
- 550 raffle tickets have been sold. Keep selling and get unsold tickets back for sale at the event.
- Raffles will include gift certificates for detailing and a laminated build sheet for your Corvette. There are currently 35 or so baskets.
- We have 14 sponsors. 7 are club members that have contributed about \$5500.
- The T-shirts look great. Thanks to Joe for the design and to Poage for paying for them.
- All of the banners have been printed.
- One Banner is on the trailer in Poage's parking lot. It has generated some interest in the car show.
- Advertising , registration and welcome banners are ready to go, too.
- We still need volunteers to judge cars, both for guest cars and possibly for ours also. See Robert Gamblin if you can help out. Judging is by cleanliness only so no technical knowledge is needed. Get your steps in for the day! We usually don't judge our own cars to avoid conflicts of interest but might have to this year.
- Larry is ready to provide food for the show. We will have brats, hamburgers, and hot dogs for purchase. Soda and water will also be available.
- Park where the parking folks ask you to. We park the club members cars separate from the guest cars to make judging easier.
- Please arrive by 7:00 if you are going to work at the show. Others will already be there by 6:30
- The parking lot gates will close at 10 and be opened at 2. Poage requested this change to help with traffic around the dealership.
- See the flyers for the Car Show on the next pages:

C&S Corvettes seems to me to be a very reliable source of Corvette information. So I'll post a couple links to Lyle's, the owner, videos below. Like many YouTuber creators he has lots of videos to learn from. Sorry about the ads.

Don't fear mileage as a part of your Corvette buying decision making:

Old Business:

Further discussion related to the Rt66CC continuing NCCC membership:

Reminder of the subject:

We have 142 members and 78 spouses that have to have NCCC memberships that costs us about \$4300 yearly. This membership includes access to enter competitions and also club liability and DR&O insurance. Only about 10 members regularly participate in NCCC events. (\$430 per participant, \$19.55 per member)

We could replace the NCCC insurance with a policy from Hagerty that would be about \$1300. (\$5.91 per member.)

A couple members (Don Lorimier and Joe Anelle) stated the need to review the changes needed to constitution, need to document the total changes being proposed: Membership cost change or stick with same dues? How would we use extra \$\$ if we kept the same renewal cost that currently includes NCCC renewal \$\$.

Tom Reitz brought up that the NCCC has added of non-racing awards for many NCCC competitions. Also, the NCCC has a seat on the board at NCM. The club constitution states that we are organized to improve the Corvette community. The club was founded with competition in mind so being in NCCC part of the creation of the club.

Old Business: (cont.)

[Secretary's note: Tom forwarded the following information after the meeting. I have added it to the minutes as it is relevant to his comments at the meeting. This is an excerpt of Article 3, Section 1.f:

CONSTITUTION ROUTE 66 CORVETTE CLUB

- c. ENTHUSIAST MEMBER: Shall be 18 years of age or older. This membership is open to anyone who is a Corvette Enthusiast. Enthusiast member need not comply with Corvette ownership.
- d. HONORARY MEMBER: Those persons or organizations whose interest in, support of or contribution to the Club merits such recognition. Honorary memberships are granted after a simple majority vote of the Club members and are terminable as defined in the Bylaws, Section 2 and in the Standing Rules, Section 10. Dues shall be paid in accordance with Section 3, Paragraph a. and b. of the Bylaws.
- e. YOUTH MEMBER: A person that is sponsored by a Primary member and who is between the ages of 16 and 21 years of age, or between the ages of 16 and 25 and also a Full Time Student whose mailing address will be the same as the Primary, upon approval of the application, payment of required dues, and the information entered into the data base the applicant shall become a Youth member. They shall be entitled to all rights and privileges of Spouse/Companion membership, except the right to hold National or Regional office.
- f. NCCC MEMBERSHIP: All Route 66 Charter, Owner, Enthusiast and Youth Members must be members in good standing of the National Council of Corvette Clubs.

Tom also points out that: "I see "Honorary members" do not need to be NCCC members, therefore in the future we could NOT pay NCCC dues for Les Wagner, Sharon Wagner, and the employees of Poage Chevrolet. Just a thought."

Paul Kaus stated that as a NCCC member club we are required to pay for all of our members to join NCCC. When we judged at Joplin, we supported NCCC there and at many other events. Having to be a member of something that we don't want to be a member of is an issue. Only 500 of 16,000 NCCC members go to the yearly convention. There used to be 30,000 members. Plenty of other clubs have insurance outside of NCCC. Insurance is for club liability and DR&O. Lots of discussion centered on how the insurance and waivers works.

Dennis Osterhorn said he joined for the club and not for membership in NCCC. And if NCCC can't handle their money (budget deficit issues) he doesn't want to be part of it. And does not like having to join NCCC since he does not use it.

Dave Hecht added that a financial statement is needed for us to get a firm DR&O insurance quote. And, regarding Hagerty insurance, an additional policy is not needed for a car show of under 200 participants.

John Midkiff: NCCC is working to address their cost issues.

Tom reminded us that the NCCC governors meeting is at Westport at 9:00 am this weekend.

Greg Fultz wants us to focus on the fact that the founders of the club intended the club to be members of the NCCC.

Those in attendance agreed to table the discussion for tonight's meeting. The board needs to work on the next actions to close this discussion and decision.

Committee Reports: (cont.)

New Business:

WWT Raceway will again have a Corvette Corral on June 15th, Father's Day, before and during the Indy Car race. Paul will organize club participation. The cost is expected to be \$35 and will include corral parking near the grandstands and 2 tickets for the race. We have attended as a club in the past. It is a fun way to spend the day.

Wear Your Pride: Craig Besand

Not held tonight as Craig is not here. The pot will be \$30 at the June meeting.

50/50 Drawing: Chris and Greg Fultz

The total collected tonight was \$240. \$120 will go to The Weekend Hunger Project. \$120 to Mandy Collins.

Motion to Adjourn:

Don Lorimier made a motion to adjourn. Linda Rothweil seconded. All were in favor and the meeting was adjourned.

Wisdom From People Who Lived to Be 100

- If you ask what is the single most important key to longevity, I would have to say it is avoiding worry, stress, and tension. And if you didn't ask me, I'd still have to say it. ~George Burns, comedian and actor
- I look back on my life like a good day's work — it was done and I am satisfied with it ... life is what we make it, always has been, always will be. ~Grandma Moses, American folk artist
- Happiness lies in moments, and while you have it you're not even aware; only afterwards do you know you were happy. ~Luise Rainer, actress
- When we recall the past, we usually find that it is the simplest things — not the great occasions — that in retrospect give off the greatest glow of happiness. ~Bob Hope, comedian and actor
- My philosophy is to live in the now — yesterday is gone, you don't know if there's even going to be a tomorrow, so you might as well enjoy today. ~Iris Apfel, interior designer and fashion icon
- Always keep your smile. That's how I explain my long life. ~Jeanne Calment, supercentenarian
- One must take what comes, with laughter. ~Olivia de Havilland, actress
- I think half the success in life comes from first trying to find out what you really want to do. And then going ahead and doing it. ~Kirk Douglas, actor
- Comprehend the changing of times—never stay stuck in the past or its difficulties. ~Concepción Calvillo de Nava, centenarian
- There is always something we can be concerned about. The secret is to rise above it and do whatever we can to make the world a better place. ~Dame Vera Lynn, singer and entertainer
- Keep your eyes open, your emotions free. Leap into the future! ~Bernard Kalb, journalist
- If you try to be kind to people, you'll be on the road to a good life. ~George Dunn, WWII veteran
- The secret to longevity is ice cream. ~Paul Marcus, centenarian
