President's Message

Dear Route 66 Corvette Club Members,

As the crisp air and vibrant colors of fall roll in, I want to encourage each of you to embark on one of the most scenic and exciting seasons for our club events. The fall season offers some of the best cruising weather, and there's no better way to enjoy it than with fellow Route 66 Corvette enthusiasts. Whether you're joining us for a leisurely drive or a spirited club event, I encourage you to take full advantage of this beautiful time to connect, make memories, and celebrate our shared passion for America's iconic sports car.

Club Business & Board Elections in November:

This autumn also brings an important opportunity for all members: our annual Board of Director election process. This year, we're seeking passionate individuals to fill the roles of Vice President, Secretary, and two Director positions. Strong leadership is vital to keeping our club vibrant toward new adventures. I urge every member to participate in the voting process—your voice truly matters in shaping our future. Please come to this month's membership meeting, October 9th for information on the candidates and the voting procedure.

Membership Renewal Reminder:

It's also time for our annual membership renewal. To stay current and enjoy all club benefits, please remember that dues are expected by our October 9th meeting. Renewing your membership ensures you'll continue as part of our organization and enjoy the adventures we have come to expect. If you have any questions about the renewal process, don't hesitate to reach out to myself or Rich Weinhold, Mr.C8.

Get Involved & Stay Connected:

Our club thrives on the energy and involvement of its members. I encourage you to join us for upcoming scenic drives, gatherings, and special social events. We're here to help and want to make sure everyone feels included and informed.

Celebrate 25: Mike Spathelf

Sign up for the Christmas party that will be held in December – there will be a club anniversary surprise for all that attend.

There will be another Quarters Drawing at the Christmas party in December. Bring your quarters (or paper money) to get a chance for every quarter that you contribute to the pot. The entire pot will be won by one lucky winner. \$305 was won at the picnic. Bring your \$\$\$\$ to the Christmas party.

Shirt Kong is the place to get your embroidered 25th anniversary shirts. Bring your own shirt or buy one from them. Their prices for shirts are very good. See info in Road Notes and on the Rt66CC website.

2026 Route 66 Car Show: Robert Gamblin

The car show will be held in May 2026. Mark your calendars now! The flyer is on the next page in Road Notes and online – send a copy to your Corvette friends. Organizational meetings have started.

The club needs some more members to join the car show planning committee. All of our efforts are to raise money for the USO of Missouri and other local veterans' charities.

And feel free (if not obligated) to sign up for the show even if you don't want to show your car!

NCCC Governor's Report: Craig Besand

NCCC raised dues \$25 per person for next year. Our Rt66CC dues do not include this added cost since we are not going to be part of NCCC next year.

Please keep your membership with Route 66 Corvette Club. You do not have to be a member of an NCCC Club to compete in NCCC events.

Links to the membership forms are listed below.

Tech Korner: Rich Weinhold, Doug Stone

Members are asked to jot down the work that you have done on your cars so that maybe if another member needs to do that job, they can find who to contact. Please send that information to Doug or Rich. See the story about Ian Turners car mods on the Gasoline Alley page.

Rich joined an online Classic Car Restoration group that sends car maintenance and restoration emails, all sorts of tech info about all sorts of cars, to members. Basic membership is \$2 per year. Premium membership is available.

Route 66 Club Generator & Trailer – We are considering replacing the trailer with a rented storage unit. Please contact Dave Hecht if you have an input to this consideration.

Bill Mulder, a Rt66CC club member and NCRS representative, has invited us to a meeting featuring Adam Boca of the National Corvette Museum insurance program.

Adam will be speaking about the insurance policies offered through the National Corvette Museum with a focus on underinsured and uninsured insurance.

Members can attend in person at the Sports Café in Bridgeton or join by Zoom. Mr. Boca will be presenting from Bowling Green via Zoom.

Topic: Insurance Seminar, Costs and Policies

Time: Nov 18, 2025, 06:30 PM Central Time (US and Canada)

Join Zoom Meeting: <https://us06web.zoom.us/j/88402731002>

From Bill:

Join on the Zoom meeting “or come to the Sports Cafe in Bridgeton on 11/18/25. Come a little early and I can introduce you to some of the NCRS people (this was set as an NCRS event as the room has large screen TV, internet and mics that make the Zoom call better).

This is not just about who has the lowest cost classic car insurance. It is much more focused with a discussion of underinsured and uninsured insurance and what it does, and it gets you to think about how much you need. Also, how much of an umbrella policy you may need - we are all too old to start over and do not want to get into financial turmoil with wrong or too little insurance. It should be a good discussion. Bring your questions. Maybe save some money on your car insurance and use the savings for other insurance - or just save the money. You decide.”

Wear Your Pride: Craig Besand (Dennis Osterhorn)

The pot tonight is \$40 after it was not won at the September meeting. Remember to come to the meetings and to wear your "Route 66 Corvette Club" shirt, jacket, or hat. Also known as "Wear Your Pride"! The basic rules are that pins and name tags do not count. The pot rolls over every month that it is not claimed, increasing by \$10 per meeting until claimed then starts over at \$10 again. The name called tonight by Dennis Osterhorn was Roger Reinhardt. He was not present at the meeting. The pot will be \$50 at the November meeting.

50/50 Drawing: Chris and Greg Fultz

The total collected tonight was \$260. \$130 will go to The Weekend Hunger Project. \$130 went to Jason Robertson. Congratulations Jason!

Motion to Adjourn:

Mike Hicks made a motion to adjourn and Jeff Bonomo seconded the motion. All were in favor and the meeting was adjourned.

On September 20th 13 members from our club joined 22 others from around the country on the adventure of a lifetime. We traveled the complete Route 66 from Chicago, IL to Santa Monica, CA over the next thirteen days.

The guided tour was led by Austin Coop, owner of “Two Lane America”, a domestic tour company based in Chicago.

Traveling through the eight states that cover the route was incredible! We didn’t stop at every tourist attraction on the way but we stopped at some of the best and most iconic spots. Old gas stations, small town museums, cafes, restaurants, motels, cathedrals still in their original condition were our destinations. Also included were the iconic stops like The Cadillac Ranch, The Turquoise Trail, The Blue Whale, Wigwam Hotel and The Grand Canyon. We also got to stand at the corner in Winslow, AZ and stay at the historic La Posada Hotel!

The last two stops were the Santa Monica Pier and our farewell dinner at Mel’s Diner!

Words cannot express how wonderful and exciting this nearly 3000 mile journey was. If you want to get your “Kicks on Route 66” I highly recommend contacting “Two Lane America”.
